

ABOUT OUR LAWYER

Ever felt unsure whether your lawyer is truly qualified? You're not alone. In fact, Bar Council of India revealed that nearly 30% of lawyers may be holding fake degrees. At AdvoLive, every lawyer you see is verified and backed by a real track record — no guesswork.

Advolive – Your Trusted Legal Partner for Business & Professional Needs

Starting or running a business is exciting, but legal documents and agreements often feel complicated. That's where [Advolive](#) comes in. We make legal help easy, clear, and reliable so that you can focus on growing your business while we take care of the paperwork.

At Advolive, we provide a wide range of legal services – from business partnership agreements to company incorporation – all designed to give you peace of mind.

Our Services

Here are some of the main services we provide:

1. [Business Partnership Agreement](#)

If you are starting a business with a partner, this agreement sets clear rules about roles, money, profit sharing, and responsibilities.

2. [Consultancy Agreement](#)

Perfect for consultants and clients – it explains the work, fees, and terms so there's no confusion later.

3. [Employment Agreement](#)

A must-have for every company. It defines job roles, salary, duties, and rights of employees.

4. [Franchise Agreement](#)

Planning to start a franchise? This agreement covers brand use, payments, and responsibilities of both franchisor and franchisee.

5. Freelancer Agreement

Protects freelancers and clients by setting clear terms about project scope, timelines, and payment.

6. Intellectual Property

We help you secure your creative work, brand, or invention so no one else can misuse it.

7. Joint Development Agreement

For businesses working together on projects – this agreement explains how work, costs, and profits will be shared.

8. Letter of Intent

Before making a big deal, a letter of intent shows your interest and terms clearly.

9. [Licensing Agreement](#)

If you are giving or getting rights to use a product, software, or brand, this agreement makes it legal and safe.

10. Non-Disclosure Agreement (NDA)

Keeps your ideas, plans, and business secrets safe when you share them with others.

11. Private Limited Company Incorporation

Want to register a private limited company? We guide you step by step, making the process simple and stress-free.

FAQs – Frequently Asked Questions

Q1. Why do I need a legal agreement for my business?

Because agreements protect you from misunderstandings, disputes, and financial losses.

Q2. Can I use a free template instead of a lawyer?

Free templates are okay for learning, but only a lawyer can make an agreement that fits your exact needs.

Q3. How much does it cost to draft an agreement with Advolive?

The cost depends on the type of agreement. We provide affordable options for startups and small businesses.

Q4. Can Advolive help with company registration in India?

Yes, we guide you through the full process of Private Limited Company Incorporation.

Q5. Is my information safe with Advolive?

Absolutely. We respect client privacy and ensure all details remain confidential.
